

Comfort, Care, Community

Welcome to The Residence at Eden Green. We pride ourselves on providing an individualized experience for all our residents.

Our commitment to the community runs deep, ensuring that every resident feels at home. With a keen understanding of local culture and values, we create an environment that fosters a strong sense of belonging and connection.

The Residence at Eden Green is owned and operated by Annapolis-based Chesapeake Caregivers Management. Experience the difference of local ownership where comfort, care, and community come together.

Charming, Small Town Living

The Residence at Eden Green is situated on 28 acres along Maryland's magnificent Eastern Shore in the small town of Denton. Enjoy the four seasons of this coastal town, the strong community spirit, and the historic charm– the perfect blend of affordability, natural beauty, and convenience.

Our community offers the finest care for those seeking Assisted Living and Memory Care in an intimate setting. In addition, we offer Independent Living, known as the Cottages at Eden Green, also located on our campus.

Welcome Home
